SESSION GOALS

1. Present Leadership North Carolina's mission, program concept, and expectations. The mission of LNC is to inform, develop and engage committed leaders by broadening their understanding of and involvement in issues and opportunities facing our state. Program sessions are designed to enable class members to meet, hear from and talk with government and other leaders in the areas of economic development, education, government, health & human services and the environment.
2. Provide opportunities for the class members to become acquainted with each other.
3. Offer team-building opportunities that foster interpersonal relationships.
4. Inspire class members to develop relationships with each other to enhance their leadership abilities.
5. Present the State's history.
6. Challenge participants to understand statewide issues and to become involved in developing solutions as leaders in their communities, regions, and state.
